

RICHARD SIKAONGA

FULL-STUCK SOFTWARE DEVELOPER

As a Full Stack Software Developer, I aspire to leverage my expertise in both front-end and back-end development to contribute effectively to innovative projects. With a strong foundation in various programming languages and frameworks, combined with a passion for problem-solving and creating user-centric solutions, I am eager to collaborate with dynamic teams in delivering high-quality software products. Seeking opportunities to further enhance my skills and make meaningful contributions in a fast-paced and challenging environment.
